

Confidentiality agreement regarding GTToS Campaign.

Between Switzerland Tourism and _____ (Name of the Company)

The following agreements are concluded regarding the GTToS Campaign:

Confidentiality Agreement

All verbal or written information and materials that the undersigned receives directly or indirectly from Switzerland Tourism regarding the GTToS campaign project are strictly confidential.

The undersigned undertakes to treat all information that is directly or indirectly known to him as strictly confidential and will not pass it on to third parties, exploit or use it except for the mutually agreed purposes. The undersigned will take all appropriate precautions to ensure confidentiality. Confidential information is only passed on to employees or other third parties who need to receive it due to their work. The signatory ensures that the persons deployed also adhere to this confidentiality agreement. Upon request, documents handed over, including all copies made of them, as well as working documents and materials, must be returned. The undersigned is fully liable for all damage that Switzerland Tourism incurs as a result of a breach of these contractual obligations. Changes and additions to this agreement require the written form.
